CAMP WELCOME

We are excited about the 2011 boy's basketball camp at Yukon High School! Our camp will be a unique and enjoyable experience for your kid. Although we have fun with games and competition, we take tremendous pride in teaching the fundamentals of basketball. We believe it's crucial to teach campers the basic fundamentals of shooting, passing, and dribbling. By the end of the week our goal is to make sure each camper had fun and can take the skills he's learned and apply them to make him the best basketball player he can be. Last, I'd just like to say we recognize the fact that parents have many options when it comes to choosing basketball camps for their child. Our staff would like to personally thank you for choosing Miller Basketball Camp, we believe our camp offers a unique experience that you won't be able to find anywhere else.
